

## LIVING TOUCHED BY THE ETERNAL

WILLIS 2/22/09

Psalm 8

We are continuing in our theme for the year Emmanuel: Touched by the Eternal. For six different weeks now and twelve different definitions we have explained what “Living Touched by the Eternal” really means. So far we have said:

1. **Living touched by the eternal is living life regenerated**
2. **Living touched by the eternal is dreaming wild**
3. **Living touched by the eternal is knowing Jesus as the Bible describes Him to be**
4. **Living touched by the eternal is becoming a bridge that joins heaven to earth**
5. **Living touched by the eternal is learning to live loved**
6. **Living touched by the eternal is walking the walk of the Bride along the Bridal Path**
7. **Living touched by the eternal is placing a Spirit led demand on our faith**
8. **Living touched by the eternal is being commissioned and sent into destiny**
9. **Living touched by the eternal is living the life I now live**
10. **Living touched by the eternal is experiencing His Kingdom growing in us every day**
11. **Living touched by the eternal is living in the river of His presence**
12. **Living touched by the eternal is becoming a womb of creativity**

Today I felt led to do something that I don't think I have ever done. I want to develop another aspect of living touched then I want to show about a 30 minute video that is going to blow your mind.

- I want to show the video because the speaker Louie Giglio unfolds this subject like no one else can. Many have already seen the video I am referring to but those who have know they want to see again and again and again.

### Psalm 8

**Living touch by the eternal is living wowed by the wonder of His immensity.** Since the Incarnation of Jesus Christ, God has been relentlessly working to move from the invisible to the visible. **The Presence is all about incarnating the invisible immensity of God into sight and sound.**

So the Psalmist says; “When I consider the heavens, the work of your fingers, the moon and the stars...what is man that you are mindful of him...”

- Much is said these days in relationship to signs and wonders. We have seen it countless times even heard testimony today of someone being miraculously healed by the wonder working power of God.
- **We have been thoroughly wowed by the wonder of what God does; now we are being positioned to be overwhelmingly wowed by the wonder of who God is.**

To live wowed by the wonder of His immensity is to catch a glimpse of how just how big God really is. So big that Is 40:12 says “God can measure the span of the universe in the palm of His hand.”

- **To live wowed by the wonder of His immensity is to realize that the vastness of creation was brought into existence with merely a word.** Jesus just said “let there be” and galaxies and solar systems were.
- **Yet Isaiah tells us when it came to redemption “The arm of the Lord had to be revealed.”** If the immensity of creation came by just a word how much more the immensity of redemption when God rolled up sleeve.
- **His immensity is unfathomable...His transcendence is indescribable. We can’t touch either one by nature but we can be touched by both through revelation and when we do, we are “wrecktified.”** Gloriously, irretrievably “wrecktified.”

So understanding that living touched by the eternal is living wowed by the wonder of His Christ’s immensity, let’s look at this video entitle “How Great is Our God” by Louie Giglio.
